### **Section II: Essay**

In 500 words or less, please provide the following essay describing:

1. Your current position and how you got to where you are in your career.
2. How being involved with WIB is important.
3. If awarded the professional scholarship how you would use the money.

Reminder that the money must be used towards a professional workshop, conference, seminar or other professional development programs (not school loans).

### **Section III: Resume and Additional Information**

Please attach a copy of your resume and any other relevant information you feel would help the WIB scholarship committee understand your interest, aptitude and passion for a career in the life sciences.

### **Selection Process**

Applications are due no later than midnight ET on November 11, 2016. The WIB Scholarship committee will review the applications and the selected winners will be notified shortly thereafter. Winners will be invited as a WIB guest to their respective chapter holiday party to be presented with the scholarship check.
